第一頁 共一頁

注意事項：

1. 本試題共【5】題，任選兩題作答，每題 50 分，配分共 100 分。
2. 請按順序標明題號作答，不必抄題。
3. 全部答案均須答在試卷答案欄內，否則不予計分。

Please select **two** out of the five questions to answer. Please answer succinctly and to-the-point. Irrelevant and verbose answers will have negative influence on your score.

- I. What is the difference between phonetics and phonology? What topics do they respectively cover? How do you use these two linguistic branches in your own profession?
- II. What is the difference between etymology and morphology? What topics do they respectively cover? How do you use these two linguistic branches in your own profession?
- III. What is the difference between grammar and syntax? What topics do they respectively cover? How do you use these two linguistic branches in your own profession?
- IV. What do the following linguistic branches have in common and how do they differ?
 1. semantics and pragmatics
 2. sociolinguistics and pragmatics
 3. discourse analysis and pragmaticsHow do you use any or some of the above linguistic branches in your own profession?

V. Should EFL (English as a Foreign Language) adopt the same methodologies/strategies for ESL (English as a Second Language)? Please reflect on your own teaching practice from the perspective of the above issue.
