第四部分

綜合測驗：請選出文意和句法最適當的答案。

Many modern artists are using computers in their work (31) \_\_\_\_\_ these machines enable the artist to be more creative. Some artists believe computers will gain in popularity; (32) \_\_\_\_\_, others feel they will have at best a fleeting presence in the art world. The computer is not a conventional art tool exactly like a brush, pencil, or hammer. It is a tool that provides greater flexibility. (33) \_\_\_\_\_ the use of computers for artistic purposes seems somewhat unusual, researchers believe their use will indeed become more widespread in the next century. Changes can be made quickly and easily when artists use computers. For instance, copying portions of a painting, drawing, or musical composition can be done with a keystroke, (34) \_\_\_\_\_ saving the artist considerable time. (35) \_\_\_\_\_ some initial resistance, the artistic community is beginning to realize that technology can indeed play a role in creativity.

When the television (41) \_\_\_\_\_ in 1923, parents had no idea of the harmful effects this celebrated invention would one day have (42) \_\_\_\_\_ children. (43) \_\_\_\_\_ the tremendous amount of time children spend watching TV, they become passive observers. Child psychologists say that children learn best by doing, not by watching. As a result, television has a (44) \_\_\_\_\_ effect on children's learning abilities and their creativity. Since children spend more time in front of the TV and less time behind a good book, their reading abilities have also (45) \_\_\_\_\_. Another harmful effect of television (46) \_\_\_\_\_ the excessive violence in many popular programs. Studies show that (47) \_\_\_\_\_ behavior in children is a direct result of this violence. Young people imitate the behavior they see on TV. Consequently, youngsters (48) \_\_\_\_\_ to "fly" out of windows like superman and kill their enemies like Kojak. (49) \_\_\_\_\_ all these reasons, television has (50) \_\_\_\_\_ from the miracle it once was into the monster it is today.
